Quality Policy Statement

Quality Policy

As a subsidiary of Kawakin Holdings Group in the Civil Engineering Construction Equipment Division, Dynamic Isolation Systems (DIS) Top Management and organization is committed to Design, Manufacture, and Validate seismic isolation devices and custom fabricated products that meet or exceed the expectations of relevant stakeholders.

Striving for total customer satisfaction, and in alignment with DIS' quality vision, DIS focuses on achieving quality objectives set in the following areas:

- I. Identification of products and operational needs of customers.
- II. Building quality features in product design ensuring reliability, maintainability, safety and durability.
- III. Production of Seismic isolation and custom fabrication products conforming to DIS' global standards.
- IV. Commitment to conforming to and continual improvement of the QMS according to ISO 9001:2015 standard.

“This policy has been formulated by the President and executive management of Dynamic Isolation Systems. The policy is explained and discussed at the general orientation training given to all existing and new employees. The policy is also posted in conspicuous locations throughout the company.”
